Greetings David , Nice to hear your voice again today and chat with you . In looking back these four years at the ILLINOIS MECHANICAL SERVICES / CARRIER transaction , It was the right thing to do . As you may recall , there were pot holes along the way however you were the best ever to deal with . Without your trustworthiness , this deal may not have been consummated . Carrier has done very well with the company here in the Peoria region and has just signed a five year lease on our building . David , please save this communication as things may change . One day you may have interest in our Mechanical Piping Co. here in our area . A really good 26 year old company with a great reputation and sound repeat customer base .
Warm Regards Don
