

Dear David & Family:

Robin & I collected a few MADE IN NEVADA things for your enjoyment, along with a couple of Fitzco memorabilia. We really never had a chance to talk [out of negotiations] and I never had a chance to say how much I appreciated what you did for me & the Fitzco partners. I'm very happy to be back with the Carrier team again & Robin likes what she sees with the Carrier Corp. We've had numerous transition problems, but none that can't be resolved in time. Hope you , and possibly your family can visit Reno some time. just let me know what I can do to assist.

Talk to you soon.
